They say you're a freak	Back to back we'll do this till the end of time
When we're having fun	You and I live don't learn
Say you must be high	Everyday we fire it up and let it burn
When we're (1) love	Just come into my arms
But we're just living life and we never stop	I will get your (4) drunk
We got the world	We'll be burning bright
We got the world	Us against the world tonight
We can live fast, fly young	They say you're a (5)
Everyday we celebrate (2) like we want	When we're having fun
(3) you and I, DIY	Say you must be high
We found a way to live the dream until we die	When we're spreading love
Just come into my arms	But we're (6) living life and we (7)
I will get your life drunk	stop
We'll be burning bright	We got the world
Us against the world tonight	We got the world
They say you're a freak	They say you're a freak
When we're having fun	When we're (8) fun
Say you must be high	Say you must be high
When we're spreading love	When we're spreading love
But we're just living life and we never stop	But we're just living life and we (9) stop
We got the world	We got the world
We got the world	We got the world
