ney say you're a freak	Back to back we ii do this till the end of time
When we're having fun	You and I live don't learn
Say you must be high	Everyday we fire it up and let it burn
When we're spreading love	Just (7) into my arms
But we're just living (1) and we never stop	I will get your life drunk
We got the world	We'll be burning bright
We got the world	Us against the world tonight
We can live fast, fly young	They say you're a freak
Everyday we celebrate just like we want	When we're having fun
Only you and I, DIY	Say you (8) be high
We found a way to live the dream (2) we die	When we're spreading love
Just come into my arms	But we're just (9) life and we never stop
(3) get your (4) drunk	We got the world
We'll be burning bright	We got the world
Js against the world tonight	They say you're a (10)
They say you're a freak	When we're having fun
When we're (5) fun	Say you must be high
Say you must be high	When we're spreading love
When we're spreading love	But we're just living life and we never stop
But we're just living life and we never stop	We got the world
We got the world	We got the world
We got the world
