

## Fill in the gaps

DY, you're (1) baby	Oh tonight, tonight we should be more than friends
<em>Vamos arriba</em> , let's go now	From the first time (11) I saw that look in you
Oh tonight, tonight we (2) be (3)	eyes
than friends	I've been thinking (12) you for all of this time
Oh tonight, tonight we should be more (4) friends	Oh tonight, (13) we could be more than
We're in the corner of the crowded room	friends
I want you lips, your body, boy, how soon?	Baby, she rings my bell, and there's (14) to floor
And if you like what we're doing	You might of think that's cool
Why don't we give in for the night?	Everybody in the club was hot
This might just be the night of you and I	(15) I showed my (16) and they
If there is no distance in our hearts tonight	cooled down
And if you (5) what we're doing	<em>Caliente, frío, tú, eso que tú tienes es mío</em>
Why don't we give in for the night?	caliente, frío, tú, eso que tú tienes
Oh tonight, tonight we (6) be more than friends	It's forever, you could be mine
Oh tonight, tonight we should be more than friends	It's whatever, whatever you like
From the (7) time that I saw (8) look	It's forever, you could be mine
in your eyes	And I'm (17) you right now
I've been thinking about you for all of this time	Baby come and (18) me down
Oh tonight, tonight we could be more than friends	<em>Caliente, frío, tú, eso que tú tienes es mío</em>
Ain't looking for (9) to call my own	Oh tonight, tonight we could be (19)
But with you boy we're in the danger zone	(20) friends
And if you like what we're doing	Oh tonight, (21) we (22)
Why don't we give in for the night?	be more than friends
So here we are, I just dream of you	From the first time (23) I saw that look in you
And all the things that I'm about to do to you	eyes
And if you like what we're doing	I've (24) thinking about you for all of this time
Why don't we (10) in for the night?	Oh tonight, tonight we could be (25) than friends
Oh tonight, tonight we could be more than friends	Tonight we could be more than friends
	Tonight we could be more than friends
