Morning	People (16) you not to take chances
It's (1) pure grey morning	(17) they told you that there ain't any answers
Don't know what the day is holding	And I was starting to agree
When I get uptight	But I (18) suddenly
And I walk (2) into the (3) of that	In the path of that (19) bolt
lightning bolt	Fortune, people talking is all about fortune
Sirens of an ambulance comes howling	Do you (20) it or does it just (21) you
Right through the center of (4) and	In the (22) of an eye
No one (5) an eye	Just another passer-by in the path of that lightning bolt
And I look up to the sky	Everyone I see just wants
For the path of (6) lighting bolt	To walk (23) gritted teeth
Met her	But I just stand by and I wait my time
As the angels have parted for her	They say you got to toe the line
But she only brought me torture	They (24) the water not the wine
But that's what (7) (8) it's you	But when I see the signs I jump on that lightning bolt
that's (9)	In silence
In the path of that lightning bolt	I was lying back gazing skyward
Everyone I see (10) wants	When the (25) got shattered
To walk (11) gritted teeth	I (26) what she said
But I just stand by and I wait my time	And then she fled in the (27) of that lightning bolt
They say you got to toe the line	
They want the (12) not the wine	
But when I see the signs I (13) on (14)	
(15) bolt	
And chances
