

Fill in the gaps

I fill my head with the future			
Fill my (1) with the sky			
I (2) my life get left behind			
But I never felt (3) alive			
I speak conversations, (4) i			
(5) the line			
Locked in your eyes I just had this goodbye			
But I never felt more alive			
I can taste it			
In my mouth, it's just so bittersweet			
It's like (6) in (7) eyes			
A mouthful grin			
It should be easy, but it's hard to leave			
The (8) in the fire is ugly			
You won't know if you won't try			
Love bring on my shirt and I walked away hurt			
But I never (9) (10) alive.			
(11) about connection			
Think I might (12) (13) a while			
You are never sight as our voices die			
But I never (14) more alive			
I can taste it			

It's (16) they're in your eyes A mouthful grin It should be easy, but it's hard to leave Yeah, this love treat us And it's been a long, hard drive Painful in the morning (17) your best friend is the night Flying (18) the mountain and never looking down I (19) felt more alive (20) is gonna find us A hope (21) your eyes Because I never (22) more alive I can (23) it In my mouth, it's (24) so bittersweet It's like they're in your eyes A mouthful grin	In my mouth, it's (15)	so bittersweet
