

## Fill in the gaps

<em>Jake, why aren't you answering?</em>	And (12) me you can't stay
Come on babe, I know it's late	Don't slip your hand (13) my (14)
but I'm (1) looking on (2) you	And (15) me it's okay
I'll be (3) in (4) 20	Don't say it doesn't matter
ninutes,bye	(16) it's (17) matter to me
I don't see you laugh	I can't be (18) with
You don't call me back	You've got me out on the edge every time you call
But you kiss me when you're drunk	And I know it would kill me if I fall
I don't know your friends	I can't be (19) with you
Don't know where you've been	Don't put your (20) up to my mouth
Why are you the one I want?	And (21) me you can't stay
Don't put your lips up to my mouth	Don't slip your hand under my shirt
And (5) me you can't stay	And (22) me it's okay
Don't slip your hand under my shirt	Don't say you love me
And tell me it's okay	Because you know you're gonna love me and leave
Don't say it doesn't matter	I can't be alone with
(6) it's gonna matter to me	You've got me out on the edge every time you call
I can't be (7) with	And I know it (23) kill me if I fall
You've got me out on the edge (8) time you call	I can't be alone with you
And I know it would kill me if I fall	I don't see you laugh
I can't be alone (9) you	You don't call me back
Please don't chain that door	But you kiss me when you're drunk
I can't win this war	
Your body's like a pill I shouldn't take	
Don't put (10) (11) up to my mouth
