The awakening by James Morrison

(1) felt (2) awake in years	The only place I want to be
Was too busy (3) my tears	Is right here with you next to me
To feel the sun was shining on my skin	And I have been waiting for this (12)
Locked up in my own cage	for so long, so long
Filled up with a bitter rage	I gotta get a little (13) inside
I couldn't see the prison I was in	And I'm here (14) out for just one thing
I (4) across the line alone	And it's (15) love, (16) love
To (5) a truth I'd never ever known	Makes everything feel alright
The truth was there all this time	I was slowly slowly dying, slowly dying
The (6) one who couldn't see was me	It's (17) the (18) day I'm alive
And I have been waiting for this (7)	I've been awakening for so long, so long
for so long, so long	I've been awakening for so long, so long
I gotta get a (8) light inside	And I (19) across the line alone
And I'm here holding out for just one thing	To find a truth I'd never (20) known
And it's your love, your love	The truth was (21) all this time
It makes everything feel alright	The only one who couldn't see was me
I was slowly slowly dying, slowly dying	And I (22) (23) waiting for this
It's like the (9) day I'm alive	awakening
Float through me like summer breeze	for so long, so long
Put my twisted mind at ease	I gotta get a little light inside
And all the troubles of the world	And I'm here holding out for just one thing
just drift away	And it's your love, your love
Jump out like a shooting star	(24) everything (25) alright
I make a wish to be where you are	
And (10) your glow is where	
(11) stay
