When you first left me I was wanting more
But you were fucking that girl (1)_____ door,
What did you do that for? (What did you do that for?)
When you first left me I didn't know what to say
I've never been on my own that way, just sat by myself all day
I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone
At first when I see you cry,
Yeah it makes me smile, yeah it makes me smile
At worst I feel bad for a while,
But then I (2)_____ smile I go ahead and smile
