Fill in the gaps

Slave to the music by James Morrison

She pulled me in so easily	I'm a slave to the music
Right from the start	No I won't give in till I stop breathing
She played me like I was a melody	She got me rocking
One bang on the drum and she funks me with a sweet kiss	She got me moving
She's touching me with lovers caress	She got me dancing
No I can't fight it	She got me rocking
She's got my soul	She got me moving
She's captured me	She got me dancing
Holds me hostage when I hear that beat	I don't wanna be saved
I won't (1) these shackles off my feet	I'm a slave to the music
(2) they're the only thing that make me feel	I don't wanna be saved, no no
free	I'm a slave to the music
That's why	If you feel for me put your hands out now
I'm a slave to the music	If you (6) for me put your hands out now
No I won't stop till my heart pops out	Put you yours hands out
I'm a slave to the music	If you feel like a zombie, shout it out now
No I won't give in till I stop breathing	If you (7) like a zombie, shout it out now
She got me rocking	She got, she got
She got me moving	She got me rocking
She got me dancing	She got me moving
She got me rocking	She got me dancing
She got me moving	She got me rocking
She got me dancing	She got me moving
I don't wanna be saved	She got me dancing
Slave to the music	She got me rocking
I don't (3) be saved	She got me moving
I'm a slave to the music, yes, yes	She got me dancing
Before of had been I'm barely alive	She got me rocking
But keep on giving	She got me moving
It's the only way to survive	She got me dancing
But I can't help but shuffle my feet	I don't wanna be saved
Moving like a zombie, chasing the beat	I'm a, I'm a (8) to the music
She lures me in oh sweet surrender	I'm a slave to the music, yes
Locks me down (4) a repeat offender	I'm a, I'm a slave to the music
I won't take these shackles off my feet	I'm a (9) to the music, yes
Because they're the only thing that make me feel free	No, no, don't want to be saved now
That's why	
I'm a (5) to the music	
No I won't stop till my heart pops out
