Tattoos on this town by Jason Aldean

There's still (1) (2) on that county	It's everything we're made of
road	It sure (15) it's mark on us,
Where we drag (3) our pick ups	We sure (16) our mark on it
And mustangs	We let the (17) know we (18) here
And weathered on the summer rain	With everything we did
And to this day up on that overpass	We laid a lot of (19) down,
Even (4) the new paint, you can	(20) tattoo's on this town
still see:	Like tattoo's on this town
"Allie will you marry me?"	Everywhere, there we are
Take a ride, look around	It (21) me right, in my heart
There ain't no doubt	It sure left it's (22) on us,
It (5) it's mark on us,	we sure left our (23) on it
We sure left our mark on it	We let the (24) know we were here
We let the world know we were here	(25) everything we did
With (7) we did	We laid a lot of memories down,
We (8) a lot of (9) down	But we'll always be (26) around
Like tattoo's on (10) town	Like tattoo's on this town
There's still a rope burn on the old branch,	Like tattoo's on this town
that hangs over the river, I still got the scare	
From (11) out a little too far	
There ain't a corner of this (12) ground,	
That we ain't (13) or cried on,	
it's where we loved, lived and (14) a lot of	
stuff
