it's where we loved, lived and learned a lot of stuff

Tattoos on this town by Jason Aldean

There's still (1) marks on (2)	county	It's everything we're made of			
oad		It sure (5)	it's mark on us,		
Where we drag raced our pick ups		We sure left our mark on it			
And mustangs		We let the world know we were here			
And weathered on the summer rain W		With everything we did			
And to this day up on that overpass	is day up on that overpass We laid a lot of (6)			down,	
Even underneath the new paint, you can still see:		Like tattoo's on this town			
"Allie will you marry me?"		Like tattoo's on this town			
Take a ride, look around		Everywhere, there we are			
There ain't no doubt		It hits me right, in my	heart		
It sure (3) it's (4) on us,		It sure left it's (7)	on us,		
We sure left our mark on it		we sure left our mark	on it		
We let the world know we were here		We let the world know we were here			
With everything we did		With everything we did			
We laid a lot of memories down		We laid a lot of memories down,			
Like tattoo's on this town		But we'll (8)	be (9)		around
There's still a rope burn on the old branch,		Like tattoo's on this to	wn		
that hangs over the river, I still got the scare		Like tattoo's on this to	wn		
From swinging out a little too far					
There ain't a corner of this hallowed ground,
