

Fill in the gaps

A (1) (2) (3) Wilder	Never coming down
now	Taking the ceiling out
Coming out of the tower now	We're going up, we're flying away
In a glass (4) that	We're taking the higher route
could take you all the way to the sky	That's because we're living it up
Ain't trying to (5) you now	we're living it up, yeah
I got nothing to lose and no how	Knowing it's (16)
So be in it with the limitless	and I don't mean (17) enough
image of the intimate	(18) it's really love
figure what you're giving is love	Well you can just rise above (19)
All you need is love	it's our destiny, yeah
Ain't it nice to get out of here?	A little like Gene Wilder now
(6) out of the atmosphere	Coming out of the tower now
Well if the glass ever shattered	In a glass elevator (20) (21) take
(7) it wouldn't really matter	you
it's our love that is lifting us up	all the way to the sky
All you need is love	For going up, for flying away
We're going up, up, up	We're taking the (22) route
We're flying away	We're taking the ceiling out
We're taking the (8) route	We're going up, we're flying away
We're (9) the ceiling out	Never (23) down
We're going up, we're flying away	Because we're living it up, living it up
Never (10) (11)	We're going up, flying away
(12) we're living it up	(24) the (25) route
we're (13) it up, yeah	taking the ceiling out
What happens (14) your (15) goes	We're going up, we're (26) away
out	Never coming down
No one's there to give you mouth to mouth	Because we're living it up, living it up
Don't let the break down trouble you	we're living it up, living it up
and claim that a brother need's a hero now	All you need is love
Because I know, you know	Love is all you need
because once you know you'll always know	
It's your own, your own, your own love	
that gets you where you wanna go	
We're going up, we're flying away
