## Fill in the gaps

### Take my breath away (BSO Top Gun) by Jessica Simpson

| Watching every motion in my foolish lover's game          |                                 |        |         |
|---|---------------------------------|--------|---------|
| On (1) endless ocean                                      |                                 |        |         |
| Finally lovers know no shame                              |                                 |        |         |
| Turning and (2)   | to some secret (3)              | inside |         |
| Watching in (4) (5)                                       | (5) as you turn around and say: |        |         |
| Take my breath away                                       |                                 |        |         |
| Take my breath away                                       |                                 |        |         |
| Watching I keep waiting still anticipating love           |                                 |        |         |
| Never hesitating to become the (6) ones                   |                                 |        |         |
| Turning and returning                                     |                                 |        |         |
| To some secret place to hide                              |                                 |        |         |
| (7) in slow motion  | n as you (8)                    | (9)    | and say |
| Take my breath away                                       |                                 |        |         |
| Take my breath away                                       |                                 |        |         |
| Through the hourglass I saw you, in time you slipped away |                                 |        |         |
| When the mirror crashed I called you                      |                                 |        |         |
| And turned to hear you say                                |                                 |        |         |
| If only for (10) I am unafraid                            |                                 |        |         |
| Take my breath away                                       |                                 |        |         |
| Take my breath away                                       |                                 |        |         |
| You take my breath away                                   |                                 |        |         |

- 1. this
- 2. returning
- 3. place
- 4. slow
- 5. motion
- 6. fated
- 7. Watching
- 8. turn
- 9. around
- 10. today
