

## Fill in the gaps

I'm a red and (1) rose	l'll (16) you up
Won't grow in the (2) alone	You make my hands shake
Take me there because I (3) to find the light	I watch the glass break
I hate that I'm scared of this	(17) my guarded (18) tonight
But you believe so I'll take the risk	This ain't no mistake, you make my earth quake
Hold me and tell me I'm alright	You feel (19) thunder in the sky
Now I'm falling down	Like thunder, thunder
You lift me up to the clouds	Thunder, thunder
Yes I'm falling down	Like thunder, thunder
You lift me up	You (20) like thunder in the sky
You (4) my hands shake	I was broken and starting to think
I watch the glass break	That I should be ashamed
Around my guarded heart tonight	(21) and nervous and naked and
(5) ain't no mistake, you (6) my	feeling afraid
(7) quake	Then you came and (22) me and
You feel like thunder in the sky	(23) me
Like thunder, thunder	To fight through the rain
Thunder, thunder	Fight through the rain, to fight through the rain
(8) thunder, thunder	You make my hands shake
You feel (9) thunder in the sky	I watch the glass break
Broke free saw an (10) road	Around my guarded heart tonight
(11) lead me to your soul	Around my guarded heart tonight
Now I run (12) a home to go to	This ain't no mistake, you make my earth quake
Never thought I'd be this happy	You (24) like thunder in the sky
If you're asking, yes you have me	(25) thunder, thunder
How you changed my (13) you'll	Thunder, thunder
(14) know	(26) thunder, thunder
So (15) you're falling down	You feel like thunder in the sky
I'll lift you up to the clouds	
Yes, when you're falling down
