

Fill in the gaps

I'm a red and fragile rose	I'll lift you up
Won't grow in the dark alone	You make my (6) shake
Take me there (1) I need to find the light	I watch the glass break
I hate that I'm scared of this	Around my (7) heart tonight
But you believe so I'll take the risk	This ain't no mistake, you make my earth quake
Hold me and tell me I'm alright	You (8) like thunder in the sky
Now I'm falling down	Like thunder, thunder
You (2) me up to the clouds	Thunder, thunder
Yes I'm falling down	Like thunder, thunder
You (3) me up	You feel like thunder in the sky
You make my hands shake	I was broken and starting to (9)
I watch the glass break	That I should be ashamed
Around my guarded heart tonight	Trembling and nervous and naked and feeling afraid
This ain't no mistake, you make my earth quake	Then you came and told me and showed me
You (4) like thunder in the sky	To fight through the rain
Like thunder, thunder	Fight through the rain, to (10) through the rain
Thunder, thunder	You make my hands shake
Like thunder, thunder	I watch the glass break
You (5) like thunder in the sky	Around my guarded heart tonight
Broke free saw an open road	Around my guarded heart tonight
Footsteps lead me to your soul	This ain't no mistake, you make my earth quake
Now I run with a home to go to	You feel like thunder in the sky
Never thought I'd be this happy	Like thunder, thunder, thunder
If you're asking, yes you have me	Thunder, thunder
How you changed my thoughts you'll never know	Like thunder, thunder, thunder
So when you're falling down	You feel like thunder in the sky
I'll lift you up to the clouds
