

## Fill in the gaps

In the blink of an eye I was falling from the sky	(14) keep talking, talking, talking
In the blur, you took my (1) away	But we're walking, walking
And my heart starts beating	To the light tonight, tonight
And my lungs start breathing	You're like a laserlight
And the voice in my (2) starts screaming:	(15) down, burning down on me
(3) alive	You're like a laserlight
You're like a laserlight	(16) down, burning down on me
(4) down, burning (5) on me	You make me feel good, you make me (17) safe
(6) (7) a laserlight	You make me feel (18) I can live
Burning down, burning (8) on me	(19) day
You make me (9) good, you make me	You (20) me (21) good, you make me
(10) safe	(22) safe
You make me feel like I can live another day	You know I wouldn't have it any other way
You (11) me feel good, you make me feel safe	-Have it any other way-
You (12) I wouldn't have it any other way	There's no stop, stop, stop
-D, D, D, (13) G-	I won' stop stop, stop
-J, J, J, Jessie J-	We won't stop, stop, stop
You and me, face to face	We (23) stop, stop
And there's so much I could say	We won't stop, stop, stop
And these words, have forever seen the silence	In the blink of an eye I was falling from the sky
Can you hear that box breaking	In the blur, you took my breath away
And the world starts shaking?
