

Laserlight by Jessie J

In the blink of an eye I was falling from the sky

In the blur, you took my breath away

And my heart starts beating

And my lungs start breathing

And the voice in my head starts screaming:

I'm alive

You're like a laserlight

Burning down, burning down on me

You're like a laserlight

Burning down, burning (1)_____ on me

You make me feel good, you make me feel safe

You make me feel like I can live another day

You make me feel good, you make me feel safe

You know I wouldn't (2)_____ it any other way

-D, D, D, David G-

You and me, face to face

And there's so much I (3)_____ say

And (4)_____ words, (5)_____ forever seen the
