

## Fill in the gaps

<em>(Speaking)</em>	And I'm on fire
<em>Shooting (1) is weird</em>	-I'm going, you tell me, I feel it, I say it
You know, like it ain't nothing	I'm (4) (5) into the tunnel for my
Then after you get off on it	soul to burn-
Man, just rips your head off	And I'm on fire
And sits there in the bottom of (2) gut	-I'm coming, you coming,
And that's you, junk	no hiding my feeling
All the time, every day, all day	I (6) take it to the (7) over me,
Shake me (3) the night	yeah-
And I'm an easy lover	And I'm on fire, I'm on fire
Take me into the fight	-Move on, you got to move on
And I'm an easy brother	You got to hit them to the hip
And I'm on fire	And get your shake on-
Burn my sweet effigy	-Move on, you got to move on
I'm a roadrunner	You got to hit 'em to the hip
Spill my guts on a wheel	And get your shake on-
I wanna taste	-I feel it, I want it, I'm coming, I tell you,
And I'm on fire	I caught the bullet from the (8) to the one
And I'm on fire	you serve
And I'm on fire	I'm going, I'm running, out to the highest love
-I'm going, you tell me, I feel it, I say it	I wanna hit you to the hip-
I'm heading back into the tunnel for my soul to burn-	I'm on fire
And I'm on fire	-Move on, you got to move on
-I'm coming, you coming,	You got to hit 'em to the hip
no hiding my feeling	And get your shake on-
I wanna take it to the highest over me, yeah-	<em>Shooting junk is weird</em>
Wire me up to machines	You know, like it ain't nothing
I'll be your prisoner	Then after you get off on it
Find it hard to believe	Man (9) (10) your head off
You are my murderer	And sits there in the bottom of your gut.
I'm on fire behind you	And that's you
