| <em>(Speaking)</em>                                   |
|-------------------------------------------------------|
| <em>Shooting junk is weird</em>                       |
| You know, (1) it ain't nothing                        |
| Then after you get off on it                          |
| Man, just rips your head off                          |
| And (2) there in the bottom of your gut               |
| And that's you, junk                                  |
| All the time, (3) day, all day                        |
| (4) me into the night                                 |
| And I'm an easy lover                                 |
| Take me (5) the fight                                 |
| And I'm an easy brother                               |
| And I'm on fire                                       |
| Burn my sweet effigy                                  |
| I'm a roadrunner                                      |
| Spill my guts on a wheel                              |
| I wanna taste                                         |
| And I'm on fire                                       |
| And I'm on fire                                       |
| And I'm on fire                                       |
| -I'm going, you tell me, I feel it, I say it          |
| I'm heading back into the tunnel for my soul to burn- |
| And I'm on fire                                       |
| -I'm coming, you coming,                              |
| no hiding my feeling                                  |
| I wanna (6) it to the highest over me, yeah-          |
| Wire me up to machines                                |
| I'll be your prisoner                                 |
| (7) it hard to believe                                |
| You are my murderer                                   |
| I'm on fire behind you                                |
| (8) a fallen sky                                      |

| -I'm going, you tell me, I feel it, I say it              |
|-----------------------------------------------------------|
| I'm heading back into the tunnel for my (9) to burn-      |

| -I'm coming, you coming,                                  |
| no (10) my feeling                                        |
| I wanna (11) it to the (12) over                          |
| me, yeah-                                                 |
| And I'm on fire, I'm on fire                              |
| -Move on, you got to move on                              |
| You got to hit them to the hip                            |
| And get your (13) on-                                     |
| -Move on, you got to move on                              |
| You got to hit 'em to the hip                             |
| And get your (14) on-                                     |
| -I feel it, I (15) it, I'm coming, I tell you,            |
| I caught the bullet from the heavens to the one you serve |
| I'm going, I'm running, out to the highest love           |
| I (16) hit you to the hip-                                |

| -Move on, you got to move on                              |
| You got to hit 'em to the hip                             |
| And get your shake on-                                    |

| You know, like it ain't nothing                           |
| Then after you get off on it                              |
| Man just (17) your head off                               |
