I feel like the time has come
A fearless (1) from everyone
Who made you the master?
The Lady Custer, I found you looking for a good time
I was out in exile perfecting my style
I knew you wanted a reaction
Hit me, harder, I'm getting re-wired
I flip the switch that make you feel electric
Even (2) (3) before
I'm (4) light them up with you
I'm gonna light them up with you
Try to keep up, you scatter brained
She will enter through your vein
Who was your creator?
The one who made you
The flame I need to heat the silver
You'd bring gods to their knees
Pick out the bad seeds

(5) the generals of theirs duties
Hit me, harder, I'm getting re-wired
I flip the switch that make you (6) electric
Even faster than before
I'm gonna light them up with you
I'm gonna light them up with you
Who made you the master?
The Lady Custer, I found you (7) for a
good time
Now this blood and glitter, it tastes so bitter
There's no retreat for I surrender
Hit me, harder, I'm getting re-wired
I flip the switch that make you feel electric
Even (8) than before
I'm gonna (9) them up with you
I'm gonna light them up with you
