Who I am living for? by Katy Perry

Fill in the gaps

I can feel a phoenix inside of me	At the end of it all	
As I march alone to a (1) beat	Who am I living for	
(2) swallowing (3) my fear	I can see the writing on the wall	
I am ready for the road (4) traveled	I can't ignore this war	
Suiting up for my crowning battle	At the end of it all	
This task is my own cross to bear	Who am I living for?	
But I will get there	I can see the writing on the wall	
It's never easy to be chosen	I can't ignore this war	
Never easy to be caught standing on the front line	At the end of it all	
When the bombs (5) to fall	Who am I living for?	
I can see the heavens	At the end, at the end	
But I still hear the flames	Who am I living for?	
Calling out my name	At the end, at the end	
I can see the writing on the wall	Who am I living for?	
I can't ignore this war	Heavy is the head that wears the crown	
At the end of it all	Don't let the greatness get you down	
Who am I living for?	Heavy is the head that wears the crown	
I can feel this lightness inside of me	Don't let the greatness get you down	
Growing fast into a bolt of lightning	I can see the writing on the wall	
I know one (6) will shock the world	I can't ignore this war	
So I pray for (7) like Esther	At the end of it all	
I need your strength to handle the pressure	Who am I living for?	
I (8) there will be sacrifice	I can see the (10)	_ on the wall
But that's the price	I can't ignore this war?	
It's never easy to be chosen	At the end of it all	
(9) easy to be caught standing on the front line	Who am I living for?	
When the bombs start to fall	At the end, at the end	
I can see the heavens	Who am I living for?	
But I still hear the flames	At the end, at the end	
Calling out my name	Who am I living for?	
I can see the writing on the wall		
I can't ignore this war
