

## Fill in the gaps

| <em>I got a dirty mind I got filthy ways</em>   |
|---|
| I'm tryna (1) my eye in your milky wa           |
| I'm a legend I'm irreverent I'll be reverend    |
| I'll be so far up                               |
| We don't give a fu*k                            |
| (2) to the danger zone                          |
| Step into the fantasy                           |
| You are not invited to the other side of sanity |
| They calling me an alien a big headed astronaut |
| Maybe its because boy Yeezy get ass a lot       |
| You're so hypnotizing                           |
| Could you be the devil                          |
| Could you be an angel                           |
| Your touch, magnetizing                         |
| Feels like I am floating                        |
| (3) my body glowing                             |
| They say be afraid                              |
| You're not like the others                      |
| Futuristic lover                                |
| Different DNA                                   |
| They don't (4) you                              |
| You're from a whole another world               |
| A different dimension                           |
| You (5) my eyes                                 |
| And (6) ready to go                             |
| Lead me into the light                          |
| (7) me, (8) me                                  |
| Infect me with your loving                      |
| Fill me with your poison                        |
| Take me, take me                                |
| Wanna be your victim                            |
| Ready for abduction                             |
| Boy, you're an alien                            |
| Your touch so foreign                           |
| It's supernatural extraterrestrial              |
| You're so supersonic                            |
| Wanna feel your powers                          |
| Stun me with your laser                         |
| Your kiss is cosmic                             |
| Every move is magic                             |
| You're from a whole another world               |
| A different dimension                           |
| You open my eyes                                |

And I'm ready to go

| Lead me into the light                      |
|---|
| (9) me, kiss me                             |
| Infect me (10) your loving                  |
| Fill me with (11) poison                    |
| (12) me, (13) me                            |
| Wanna be your victim                        |
| Ready for abduction                         |
| Boy, you're an alien                        |
| Your touch so foreign                       |
| It's (14) extraterrestrial                  |
| This is transcendental                      |
| On (15) level                               |
| Boy, you're my lucky star                   |
| I wanna (16) on your wavelength             |
| And be (17) when you vibrate                |
| For you, I'll risk it all                   |
| <em>I know a bar out in mars</em>           |
| Where they driving (18)                     |
| (19) of cars                                |
| Cop a Prada space (20) about the stars      |
| Getting stupid hah straight up out the jars |
| Pockets on shrek, (21) on deck              |
| Tell me whats next? Alien sex               |
| Imma disrobe you                            |
| Then Imma probe you                         |
| See I abducted you                          |
| So I tell you what to do                    |
| Kiss me, (22) me                            |
| (23) me with your love and                  |
| Fill me with your poison                    |
| Take me, take me                            |
| Wanna be a victim                           |
| (24) for abduction                          |
