

## Fill in the gaps

## Hummingbird heartbeat by Katy Perry

| You make me feel like (1) (2)                     | Our love (13) stays the same               |
|---|--|
| ny virginity                                      | You give me that (14) heartbeat            |
| The first time every time when (3)                | Spread my wings and make me fly            |
| ouching me  | The taste of your (15) is so sweet         |
| I make you bloom like a flower that (4)           | When you give me the hummingbird heartbeat |
| never seen  | (16) heartbeat                             |
| (5) the sun we are one buzzing energy             | Hummingbird heartbeat                      |
| Let's pollinate to create a family tree           | (17) heartbeat                             |
| This evolution with you comes naturally           | You love me, you love me                   |
| Some call it science, we call it chemistry        | Never (18) me not                          |
| This is the story of the bird and the bees        | When we're in (19) harmony                 |
| And even when seasons change                      | You (20) me (21) like                      |
| Our love (6) stays the same                       | Like a symphony                            |
| You give me that (7) heartbeat                    | Spread my wings and (22) me fly            |
| Spread my wings and make me fly                   | The taste of (23) honey is so sweet        |
| The taste of your honey is so sweet               | When you give me the hummingbird heartbeat |
| When you give me the (8)                          | Hummingbird heartbeat                      |
| neartbeat   | (24) heartbeat                             |
| Hummingbird heartbeat                             | Spread my wings and make me fly            |
| Hummingbird heartbeat                             | The (25) of your honey is so sweet         |
| Hummingbird heartbeat                             | (26) you give me the hummingbird heartbeat |
| I've flown a million miles                        | (27) heartbeat                             |
| just to find the magic seed                       | Hummingbird heartbeat                      |
| A white flower with the power to bring life to me | (bis)                                      |
| You're so exotic, my whole body fluttering        |  |
| (9) craving for a taste of your sticky            |  |
| sweet   |  |
| Always on the brink of a heart attack             |  |
| You keep me alive and (10) me                     |  |
| 11) back  |  |
| I see the sun rise in your eyes, your eyes        |  |
| We've got a future (12) of blue skies, blue skies |  |
| Even when seasons change                          |  |
