I'm going back to the time when we owned this town
Down Powdermill Lane, in the battlegrounds
We were friends and lovers and clueless clowns
I didn't know I was finding out
How I'd be torn (1) you
When we talked about things
We were born to do
We were wide-eyed dreamers
And wiser too
We'd go (2) to the rides on East Parade,
By the lights of the Palace Arcade and
Watch night coming down on the (3)
Light café
I'm begging you for some sign
But you've still got nothing to say
Don't turn your back on me, don't walk away
I'm a better man now than I was that day
Let's go (4) to the rides on East Parade
By the lights of the Palace Arcade and
Watch night coming down on the Sovereign Light café
Let's go down to the bandstand on the pier
Watch the (5) and the lovers appear

I wheel my bike off the train Up the North Trade Road Look for you on Marley Lane In every building, every street sign Oh why did we ever go so far from home? You've got (6)	and take time, just the stars at the Sovereign Light care

you can't change who you really are You can get a big house and a faster car You can run away boy, but you won't go far Let's go down to the rides on East Parade By the lights of the Palace Arcade And watch night coming down on the (7) Light café Stroll down to the (8) on the pier Watch the drunks and the lovers appear An take time, just the stars at the Sovereign Light café I'm going where the people know my name	Oh why did we ever go so far from home?
