# Walk away by Kelly Clarkson

### Fill in the gaps

You've got your mother and your brother	Not another question
Every other undercover	Should you stay or should you go?
Tellin' you what to say -say-	Well, if you don't have the answer
You (1) I'm stupid	Why are you still standin' here?
But the (2) is	Just walk away
That it's cupid, baby	(bis x2)
Lovin' you has made me this way	I (17) love
So (3) you point your finger	I want a fire
Get (4) hands off of my trigger	To (18) the burn
You (5) to (6) (7) situation's	My desires
getting old	I want a man by my side
And now the more you talk	Not a boy who runs and hides
The less I can take, oh	Are you (19) (20) for me?
I'm (8) for attention	Die for me?
Not (9) question	(21) and breathe for me?
Should you stay or should you go?	Do you (22) for me?
Well, if you don't have the answer	'Cause if you don't (23) just leave
Why are you still standin' here?	I'm looking for attention
Just walk away	Not another question
(bis x2)	Should you stay or should you go?
I waited (10) for you	Well, if you don't have the answer
Like a kid waiting after school	Why are you still standin' here?
So tell me how come you never showed -showed-?	(24) walk away
I gave you everything	If you don't have the answer
And never asked for anything	Walk away
And (11) at me	Just walk -walk- away
I'm all (12)alone-	-Just walk away-
So, before you (13) defendin'	(25) just leave
Baby, (14) all your pretendin'	Walk away
I know you know I know	
So what's the point in being slow	
Let's get the (15) on the (16) today	
I'm looking for attention
