

But I wanna get it on for sure

Fill in the gaps

Saw you leaning against that old (1) machine	Come give me some of that
Saw the name of your band written on the marquee	Yum like a lollipop, baby, don't be scared
It's a (2) moon tonight so we're getting rowdy	Come on because I (9) what I like
Yeah, we're getting rowdy, get, get, getting rowdy	And you're looking just like my type
Feeling like I'm a (3) schooler	Let's go for it just for tonight
Sipping on a warm wine cooler	Oh c'mon, c'mon
Hot because the party don't stop	Now don't even try to deny
I'm in a crop top	We're both going home satisfied
Like I'm working at Hooters	Let's go for it just for tonight
We've been keeping it PG	Oh c'mon, c'mon
But I wanna get a little frisky	I don't wanna go to sleep
Come give me (4) of that	I wanna stay up all night
Yum like a lollipop, let me set you free	I wanna just screw around
Come on because I know what I like	I don't wanna think about
And you're looking just like my type	What's gonna be after this
Let's go for it (5) for tonight	I wanna just live right now
Oh c'mon, c'mon, c'mon	I don't wanna go to sleep
Now don't even try to deny	I wanna stay up all night
We're (6) going home satisfied	I wanna just screw around
Let's go for it just for tonight	I don't wanna (10) about
Oh c'mon, c'mon, c'mon	What's gonna be after this
Write our names on the wall in the back of the bar	I wanna just live right now
Steal some bubble gum from the corner meximart	Come on because I know what I like
Now we (7) like kids	And you're looking just like my type
Causing trouble in the dark	Let's go for it just for tonight
Causing trouble in the dark, trouble in the dark	Oh c'mon, c'mon
Feeling like a sabre tooth tiger	Now don't even try to deny
Sipping on a warm Budweiser	We're both going home satisfied
(8) me and give me that rush	Let's go for it just for tonight
Better pack a toothbrush	Oh c'mon, c'mon
Gonna pull an all-nighter	
We been keeping it Kosher
