

Fill in the gaps

This is nonstop baby	And turn to your brother
You've got me (1) crazy	Not a (6) gone lover's noose
You're heavier than I knew	Sometimes baby the hardest part of breaking
But I don't want no other	is leaving pieces behind you
You're my cameo love	Oh we've all gotta get by
Only here for a moment or two	Let me come and hold you high, with you
You stay inside that bubble	When everyday's like talking in your sleep
With all of your trouble	Love is like a (7) in dreams
In your black hole	Open up your heart
You turn from the skies	Open up your heart
You dance with your demise	Open up your heart and let me pull you out
I'll be here when you (2) home	(8) everyday's (9) talking in your sleep
We've all gotta break down	Love is like a silhouette in dreams
Let me come and break down with you	Open up your heart
Because everyday's (3) talking in your sleep	Open up your heart
Love is like a silhouette in dreams	Open up your heart and let me pull you out of here
Open up your heart	Open up your heart to me
Open up your heart	The sun won't shine if you're not looking
Open up your heart and let me pull you out	-Baby (10) is all that you need-
When everyday's like talking in your sleep	When everyday's like talking in your sleep
Love is (4) a silhouette in dreams	Love is like a silhouette in dreams
Open up your heart	Open up your heart, open, open, open
Open up (5) heart	When everyday's like talking in your sleep
Open up your heart and let me pull you out of here	Love is like a silhouette in dreams
I've got high hopes baby	Open up your heart
But all you do is take me down to depths	Open up your heart
That I never knew	Open up your heart and let me pull you out
You've got two arms baby	Open up your heart
They're all tangled in ladies	(bis x5)
of the black skies posing blue	
Let go of your mother	

1. going
