

Fill in the gaps

This is (1) baby	And (14) to your brother
You've got me going (2)	Not a long gone lover's noose
You're heavier than I knew	Sometimes baby the hardest part of breaking
But I don't want no other	is leaving pieces behind you
You're my cameo love	Oh we've all gotta get by
Only here for a moment or two	Let me come and hold you high, with you
You stay inside that bubble	(15) everyday's like talking in your sleep
Nith all of your (3)	Love is like a silhouette in dreams
n your black hole	(16) up your heart
You turn (4) the skies	Open up your heart
You dance with your demise	Open up your heart and let me (17) you out
'll be here when you (5) home	When everyday's like talking in (18) sleep
We've all (6) (7) (8)	Love is like a silhouette in dreams
_et me come and break down with you	Open up your heart
Because everyday's like (9) in your sleep	Open up your heart
Love is like a silhouette in dreams	(19) up your heart and let me pull you out of here
Open up your heart	Open up your heart to me
Open up your heart	The sun won't (20) if you're not looking
(10) up your heart and let me pull you out	-Baby love is all that you need-
When everyday's (11) talking in your sleep	When everyday's (21) (22) in
_ove is like a silhouette in dreams	your sleep
Open up your heart	(23) is like a (24) in
Open up your heart	dreams
Open up your heart and let me pull you out of here	Open up your heart, open, open, open
ve got high hopes baby	When everyday's like talking in your sleep
But all you do is take me down to depths	(25) is like a silhouette in dreams
That I never knew	Open up your heart
You've got two arms baby	Open up your heart
They're all tangled in ladies	(26) up your heart and let me (27) you
of the black skies (12) blue	out
Let go of your (13)	Open up your heart
