I saw her with you

Fill in the gaps

Monday morning small talking on the avenue
She's got a fancy car
She wants to take you far
From the city lights and sounds deep into the dark
Star so light and star so bright
First star I see tonight
Star so light and star so bright
Keep him by my side
I (9) settle down
I wanna settle down
Baby there's no need to run
I'll love you well
I wanna settle down
It's (10) to bring you down
On just one knee for now
Lets make our vows
Star so light and star so bright
First star I see tonight
Star so light and star so bright
Keen him by my side
