Fill in the gaps

Monday (14) small talking on the avenue
She's got a fancy car
She wants to take you far
From the city lights and sounds (15) into the dark
Star so light and star so bright
First star I see tonight
Star so (16) and (17) so bright
Keep him by my side
I (18) down
I (20) settle down
Baby there's no need to run
I'll love you well
I wanna settle down
It's time to bring you down
On just one knee for now
Lets (21) our vows
Star so light and (22) so bright
First star I see tonight
Star so (23) and star so bright
Keep him by my side
