

Fill in the gaps

I feel the 4 become 5
And I'm waiting, waiting, waiting
For you to walk down the boulevard
And to take me, take me
But the moment you appear
You wake me, wake me
Out of the (1) of my head
From the slums of loneliness
And there's no conspiracy
(2) the way two (3) meet
(2) the way two (3) meet When (4) is a two way street
When (4) is a two way street
When (4) is a two way street -Love is a two way street-
When (4) is a two way street -Love is a two way street- And I think I'm ready
When (4) is a two way street -Love is a two way street- And I think I'm ready To let you get under my skin
When (4) is a two way street -Love is a two way street- And I think I'm ready To let you get under my skin I can't make you fall for me

And I couldn't care for the history	
When I've got you in front of me	
And the cars (6) all collide	
The shards of glass won't catch my eye	
Because you're almost by my side	
We're counting down at the (7)	light
And there's no conspiracy	
Behind the way two hearts meet	
(8) love is a two way street	
-Love is a two way street-	
And I think I'm ready	
To let you get under my skin	
I can't (9) you fall for me	
-Love is a two way street-	
Love is a two way street	
Love is a two way street
