You scared the $s^{**}t$ out of me I'm very sorry		You took my soul and wiped it clean
You scared of me?		Our love was made for movie screens
All I want is nothing more		But If you loved me
To (1) you knocking at my door		Why'd you leave me?
Because if I could see your face once more		(7) my body
I could die a happy man I'm sure		Take my body
(2) you said (3) (4)	goodbye	All I want is
I died a little bit inside		And all I need is
I lay in tears in bed all night		To find somebody
(5) without you by my side		I'll (8) somebody
But If you loved me		If you loved me,
Why'd you leave me?		Why'd you leave me?
Take my body		(9) my body
Take my body		Take my body
All I want is		All I want is
And all I need is		And all I need is
To find somebody		To find somebody
I'll (6) somebody like you oh		I'll find somebody like you, oh
Because you brought out the best of me		
A part of me I'd never seen
