

## Fill in the gaps

I never had anything happen so fast			Without a warning
Took one look and I shattered like glass			Like night when the morning begins the day
I guess I let it show			I was swept away
Cause your (1)	(2)	me you knew	Away, seeing my tomorrow's in your eyes
That you're everything I ever wanted at once			I was (15) away
There's no holding (3) heart			Oo, I hope I wake up soon
When it knows what it wants			Oo, I'm a victim of that crazy moon
And I never wanted anything more than to know you			The (16) first time you said my name
I was swept away			I knew it would never (17) the same
No one in the world but you and I			Something (18) me has (19)
Gotta (4) a way			forever
To (5) you (6) the way that I do			Can't you see I am swept away
I was swept away			No one in the world but you and I
Without a warning			Gotta (20) a way
Like night when the morning begins the day			To make you feel the way (21) I do
I was swept away			I am swept away
And so it begins			Without a warning
This journey of love			Like night when the morning (22) the day
The summer (7) carries us to (8)			I was swept away
all our own			Away, seeing my tomorrow's in (23) eyes
The (9) of a look			Gotta (24) a way
The (10) of touch			To make you feel the way that I do
The way that you (11)	me mean	s so much	I was swept away
And I never wanted (12)		more	Without a warning
Than to love you			Like (25) when the morning begins the day
I am swept away			I was (26) away
No one in the world but you and I			We were swept away
Gotta find a way			Dreaming of you
To make you (13)	the way that I	do	Swept away
I am (14) away
