

## Right now by Kostrok

### Fill in the gaps

Guess it's something that the boys don't stop

(1)\_\_\_\_\_ you think good time

Means to get lost just one night

I should remember all the lives I saved

Everytime I said I'm too hard to love

But tonight it's different

I can feel the summer coming on

And I stopped listening to this little

Voice inside my brain

Never mind too much fight

Too much fight, too much

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you right now

And you don't know how

My heart is breaking down

And the lights went out

Would you come around?

Would you take me out?

Come around, come around

Called the friends in common we had

Asked where you at

Yeah, that's a good start

It (2)\_\_\_\_\_ so stupid to run in the dark

Looking for this girl who can get me back

But tonight's different

I can feel the summer coming on

And I stopped listening

Never mind too much fight

Never mind too (3)\_\_\_\_\_ fight

Never mind too much fight

Too much fight, too much

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you right now

And you don't know how

My heart is breaking down

And the lights went out

Would you come around?

Would you take me out?

Come around, come around

Words tried to come out then

But you shut them with your hand

Horses in the rain, horses in the rain

Words (4)\_\_\_\_\_ to come out then

But you shut them with your hand

Horses in the rain, travellers in the sun

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you (5)\_\_\_\_\_ now

I want you right now

And you don't know how

My heart is breaking down

And the lights (6)\_\_\_\_\_ out

(7)\_\_\_\_\_ you come around?

(8)\_\_\_\_\_ you (9)\_\_\_\_\_ me out?

Come around, (10)\_\_\_\_\_ around

Answer

1. When
2. feels
3. much
4. tried
5. right
6. went
7. Would
8. Would
