

Right now by Kostrok

Fill in the gaps

(1)_____ it's something that the boys don't stop

When you think good time

Means to get lost just one night

I should remember all the lives I saved

Everytime I said I'm too hard to love

But tonight it's different

I can feel the summer coming on

And I stopped listening to this little

Voice inside my brain

Never mind too much fight

Too much fight, too much

(2)_____ to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you right now

And you don't know how

My heart is breaking down

And the lights went out

Would you come around?

Would you take me out?

Come around, come around

Called the friends in common we had

Asked where you at

Yeah, that's a (3)_____ start

It feels so stupid to run in the dark

Looking for this girl who can get me back

But tonight's different

I can (4)_____ the summer coming on

And I stopped listening

Never (5)_____ too much fight

Never mind too much fight

(6)_____ (7)_____ too much fight

Too much fight, too much

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you right now

And you don't know how

My heart is breaking down

And the lights went out

Would you come around?

Would you take me out?

Come around, come around

Words tried to come out then

But you shut them with your hand

Horses in the rain, horses in the rain

Words tried to come out then

But you shut them with (8)_____ hand

Horses in the rain, travellers in the sun

Want to come around

I want you right now

I want you right now

I want you right now

Want to come around

I want you right now

I want you (9)_____ now

And you don't know how

My heart is breaking down

And the lights went out

Would you come around?

Would you take me out?

Come around, come around
