

Fill in the gaps

Can't sleep, because everything's changing
You don't want to leave things behind
Can't breath, because to many things
Going on going wrong in your life
Tears in your eyes
Sweet goodbyes
I know how you feel right now
Losing dreams you've come to care about
I know what you (1) right now
You need to come on (2) so I can hold you tigh
Get you through the night
I'll get you through the night
Wake up, the sun's shining bright
Let's go out of bed, into the light
Shape up, we won't forget
Still there's lot's of love left to hold tight
Tears in your eyes
Sweet goodbyes
I know how you feel right now
Losing (3) you've come to care about
I (4) what you need right now

You need to come on home so I can hold you tight.
Get you (5) the night
Everything of love between us
Will get us trough the night
All the things we've (6)(7)
(8) us
See the pretty things in life
All the (9) that we've been to
The people we relate to
All the love that we give in to
Blow the tears from our eyes
Sweet goodbyes
I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tight
I'll get you through the night
