

## Fill in the gaps

Baby you need to leave	We'll be the (7) lovers with the poison cup
Because I'm getting drunk on your noble deeds	And we'll draw in breaths like we don't have air
It doesn't matter that they don't get done	Oh God, look at me, don't you even care
When I feel (1) cold they're like the	That I'm dying in the cupboard underneath the stairs?
(2) sun	Steps stamp on above my head
Baby I need a friend	Baby you're cruel to me
But I'm a vampire smile	But you see I (8) it when you make me plead
You'll meet a sticky end	I want a scar that looks just like you
I'm here trying not to bite (3) neck	Till then I gotta learn to be a wiser fool
But it's beautiful and I'm gonna get	Baby you need to leave
So drunk on you and kill your friends	And I know you know
You'll need me and we can be obsessed	That's why you keep ignoring me
And I can (4) your hair and taste (5)	Because if you don't
skin	(9) run me down, let myself go
The ghosts won't matter	
Because we'll hide in sin	
Baby you have a choice	
Because you (6) my ears with your magic voice	
I'm a paper doll, you can tear me up
