Fill in the gaps

Stairway To Heaven by Led Zeppelin

There's a lady who's sure all that glitters is gold	If there's a bustle in your hedgerow, don't be alarmed now
And she's buying a (1) to heaven	It's just a spring clean for the May queen
When she (2) (3) she knows, if the	Yes, there are two paths you can go by, but in the long run
stores are all closed	There's still time to change the (8) you're on
With a word she can get what she came for	And it makes me wonder
Ooh ooh, and she's buying a stairway to heaven	Your head is humming and it won't go, in case you don't know
There's a sign on the wall, but she wants to be sure	The piper's calling you to join him
'Cause you know sometimes words have two meanings	Dear lady, can you hear the wind blow, and did you know
In a tree by the brook, there's a songbird who sings	Your stairway lies on the whispering wind
Sometimes all of our thoughts are misgiven	And as we wind on down the road
Ooh, it makes me wonder	Our shadows taller than our soul
Ooh, it makes me wonder	There walks a lady we all know
There's a feeling I get when I look to the west	Who shines (9) light and wants to show
And my spirit is crying for leaving	How everything still turns to gold
In my thoughts I have seen rings of smoke through the trees	And if you listen very hard
And the voices of (4) who stand looking	The tune will come to you at last
Ooh, it makes me wonder	When all are one and one is all
Ooh, it really (5) me wonder	To be a rock and not to roll
And it's whispered that soon if we all call the tune	And she's buying a stairway to heaven
Then the piper will lead us to reason	
And a new day (6) (7) for those who	
stand long	
And the forests will echo with laughter
