Wanted you more by Lady Antebellum

I kept waiting on a reason	To lay it on the line
In a call (1) never came	In the end, it seemed there was no room for me
No I never saw it coming	Still I (6) to change (7) mind
(2) in you must have changed	I guess I wanted you more
All the words unspoken, (3) broken	And looking back now I'm sure
I cried for so long, wasted too much time	I wanted you more
Should have (4) the signs	I guess I wanted you more
Now I know just (5) went wrong	Oh, I don't need you
I guess I wanted you more	I don't need you anymore
And looking back now I'm sure	I guess I wanted you more
I wanted you more	And looking (8) now I'm sure
I guess I wanted you more	I (9) you more
All the nights we spend just talking	I guess I (10) you more
All the things we wanted out of life	I don't need you,
Making plans and dreams together	I don't need you anymore
I wish I'd seen, I was just too blind	
My heart was open, exposed and hoping for you
