

Fill in the gaps

You see me unraveling
I know the difference this time
You pull me in, you pull me out
I'm deserving
Don't matter what you do wrong
I put your knees (1) mine
It doesn't really matter what they say
It doesn't (2) matter what they say
So take (3) you want from me
Take what you want from me
Take what you (4) from me
And I'll give you all my love
I'll give you everything
Just take what I don't need
I (5) I've made some mistakes
But I'll be different, you'll see
I'll (6) in, tell me how
I keep falling
I'm (7) (8) a wave of gold

So, can I sleep?
It doesn't really matter what they say
So take what you want from me
Take what you want (9) me
Take what you want from me
And I'll give you all my love
I'll give you everything
Just take what I don't need
So you want to talk about this way you want to go
And I don't need to think about losing you
To know how it feels, how it feels
So take what you want from me
Take what you want from me
Take what you want from me
And I'll give you all my love
I'll give you everything
Just take what I don't need
