

## Fill in the gaps

You're the only one that I've got	It's evident (9) you never were
But I can't get lost in you	Fully person in my composition
I can't get lost in you	Holding in what you really wanted
It can be (1) I don't know	Left no evidence that you were listening
To (2) it up to you	It's evident that you never were
Make it up to you	(10) person in my composition
You're undiscovered	Holding in (11) you (12) wanted
I want to see the rest of you	Left no evidence that you (13) listening
I can't get next to you	You're not the same
I can't get next to you	You're undiscovered
You're undiscovered	I want to see the (14) of you
I (3) to see the (4) of you	I can't get next to you
I can't get next to you	I can't get next to you
I can't get next to you	You're undiscovered
You don't want to (5) ahead	I want to see the (15) of you
When it's staring back at you	I can't get (16) to you
Staring back at you	I can't get (17) to you
Oh, who moves?	You're undiscovered
Baby I've got nothing to lose	I want to see the rest of you
But I can't (6) for you	I can't get next to you
You're undiscovered	I can't get next to you
I want to see the rest of you	You're undiscovered
I can't get (7) to you	I want to see the (18) of you
I can't get next to you	I can't get (19) to you
You're undiscovered	I can't get next to you
I (8) to see the rest of you	
I can't get next to you	
I can't get next to you
