Don't need a picture of it I think we've (2)_____ enough No resolution to it, constant confusion The kind (3)_____ tears you up So could we alter the lies? Could we open the night? The (4)_____ are screaming at us The signs are screaming Sad, but we will break it I don't want to leave you now I don't want to leave you now I can see you're faking I don't want to leave you now I don't want to leave you now -I don't want to leave you now--I don't want to leave you now--I don't want to leave you now--I don't want to leave you now-Can we just talk about it? Instead of skating from it I think we've wandered enough Cold front with everybody The bitter sweet embrace Kind that fused too much So could we (5)_____ the pace? Could we open the race? The signs are (6)_____ at us
