

Fill in the gaps

She's so gone by Lemonade Mouth

Insecure in a skin		You won't run her around
Like a puppet, a girl on a string		You can look but you won't see
(1) away, (2) to fly	/	The girl I used to be because she's
If you want her back gotta let her shine		She's so gone away
So it looks like the joke's on you		Like kiss the rain
Because the girl that you (3) yo	u knew	She's so gone
She's so gone		Baby, this is me, yeah
That's so (4) now		She's so gone
She's so gone		That's so over now
You won't run her around		She's so gone
You can look but you won't see		You won't run her around
The (5) I used to be (6)	she's	You can look but you won't see
She's so gone		The girl I used to be (8) she's
Here I am		She's so gone
This is me		She's so gone
And I'm stronger than you ever thought I'd be		You can look but you won't see
Are you shocked? Are you mad?		The girl I (9) to be because she's
That you're missing out on who I (7)	_ am	She's so gone
Now it looks like the joke's on you		So alone
Because the girl that you thought you knew		She's so gone, gone, gone, gone
She's so gone		
That's so over now		
She's so gone
