

Fill in the gaps

I'm sitting down here, but hey, you can't see me	But you (13) be aware
(1) words cut rather deeply	But I've learned to get (14)
They're just some other lies	And I (15) you'll experience (16)
I'm hiding from a distance	someday
I've got to pay the price	I'm sitting (17) here, but hey, you can't see me
Defending all against it	Kind of invisible, you don't sense my stay
I really don't know why	Not really hiding, not like a shadow
You're obsessed with all my secrets	Just thought I would join you for one day
You (2) make me cry	I'm (18) (19) here, but hey, you
You seem to want to (3) me	can't see me
No matter what I do	Kind of invisible, you don't sense my stay
I'm (4) just a couple	Not really hiding, not (20) a shadow
But somehow it gets to you	Just thought I (21) join you for one day
But I've learned to get revenge	You (22) to (23) to hurt me
And I swear you'll experience that someday	No matter what I do
I'm (5) down here, but hey, you can't see	I'm (24) just a couple
me	But somehow it gets to you
(6) of invisible, you don't (7) my stay	But I've learned to get revenge
Not really hiding, not like a shadow	And I swear you'll experience (25) someday
Just thought I (8) join you for one day	I'm sitting (26) here, but hey, you can't see me
I'm sitting down here but hey, you can't see me	Kind of invisible, you don't sense my stay
I'm not trying to avoid you	Not really hiding, not like a shadow
(9) don't wanna hear your voice	Just thought I would (27) you for one day
When you (10) me up so often	I'm sitting down here, but hey, you can't see me
I don't really have a choice	Kind of invisible, you don't (28) my stay
You're talking (11) you know me	Not really hiding, not (29) a shadow
And wanna be my friend	Just thought I would join you for one day
But that's really too late now	I'm sitting down here, but hey, you can't see me
I won't try it once again	Kind of invisible, you don't sense my stay
You may think that I'm a loser	Not really hiding, not like a shadow
That I don't really care	Just thought I would join you for one day
You may think (12) it's forgotten
