

Fill in the gaps

In my secret life		
In my secret life		
In my secret life		
I saw you this morning		
You (1) moving so fast		
Can't seem to loosen my grip on the past		
And I (2) you so much		
And there's no one in sight		
And we're still making love		
In my secret life		
In my secret life		
I (3) (4) I'm angry		
I cheat and I lie		
I do what I have to do to get by		
But I know what is wrong		
And I know what is right		
And I'd die for the truth		
In my secret life		
In my (5) life		
Hold on, hold on, my brother		
My sister, hold on tight		
I finally got my orders		
I'll be marching through the morning		

Marching through the night		
Moving (6) the	borders	
Of my secret life		
Looked through the paper		
Makes you want to cry		
Nobody (7) if th	ne people live or die	
And the dealer wants you thinking		
That it's either black or white		
Thank God it's not that simple	е	
In my secret life		
I bite my lip		
And I buy what I'm told		
From the latest hit		
To the wisdom of old		
But I'm always alone		
And my heart is like ice		
And it's crowded and cold		
In my (8) life		
In my secret life		
In my secret life
