Fill in the gaps

If my (1) run (2) at hefty	y We (19) even play
speeds	For the whole account
Then it could skin my ears	And keep the grins in check
And (3) friction heat	And keep the singing louda
Lips could even crack	We will be fine
Until it all runs coarse	But I get into it
Or we (4) let it out	We will be fine
And let it run its course	But I get into it
We can (5) outside	We (20) be fine
With a silver frame	But I get into it
Until the (6) come by	But I get into it
And then they feel them in	But I get again
We could (7) play	But I get again
For the whole account	But I get again
And keep the (8) in check	(21) my thoughts
And keep the singing loud	When my thoughts
We will be fine	They run fast
But I get into it	When my thoughts
We will be fine	When my thoughts
But I get into it	they run fast
We will be fine	I can see the waves rising all around us
But I get (9) it	But we are locked in our (22) of houses
but I get (10) it	And we coming out all (23) us
If my (11) run fast at hefty speeds	And we can't seem to get distance
Then it could (12) my ears	All the (24) they are
And make (13) heat	Tumbling away
Lips could even crack	And we can't see the (25) weather
(14) it all (15) coarse	When the waves are crashing all around us
Or we could let it out	Our houses are (26)
And let it run its course	and we finished
We can stand outside	
With a silver frame	
Until the (16) come by
