

And then they feel them in

## Fill in the gaps

f my thoughts run fast at hefty speeds	We could even play
Then it could skin my ears	For the (6) account
And make friction heat	And keep the grins in check
Lips could even crack	And keep the singing louda
Until it all (1) coarse	We will be fine
Or we could let it out	But I get (7) it
And let it run its course	We will be fine
We can stand outside	But I get into it
With a silver frame	We will be fine
Until the clouds come by	But I get into it
And then they (2) them in	But I get (8) it
Ne could even play	But I get again
For the whole account	But I get again
And keep the grins in check	But I get again
And keep the singing loud	When my thoughts
We will be fine	When my thoughts
But I get into it	(9) run fast
We will be fine	When my thoughts
But I get into it	When my thoughts
We will be fine	they run fast
But I get into it	I can see the waves rising all around us
out I get into it	But we are locked in our rows of houses
f my thoughts run (3) at hefty speeds	And we coming out all around us
Then it could skin my ears	And we can't seem to get distance
And make friction heat	All the waves they are
(4) could even crack	Tumbling away
Until it all runs coarse	And we can't see the stormy weather
Or we could let it out	When the waves are crashing all around us
And let it run its course	Our houses are landlocked
We can stand outside	and we finished
Nith a silver frame	
Until the clouds (5) by
