

Fill in the gaps

My mouth is frozen so I can't even speak	It's a (14) late but you know
(1) a disappointment, I had it perfectly	I (15) want you to be happy
What I was (2) to (3) up suddenly	What I got to say to make you
Stood like a stone as you (4) quietly	let me get away with it (16) time
You're (5) it hard for me	I know you're upset and that you're happy
All I can do is freeze	(17) to sit and hate me
(6) I mean is, all I need is,	But I'll make a bet that you'll be better to forget about me
Just a little emotion	(18) better yet
(7) all I see is you not feeling	I'll let a little light melt the ice, ice baby
And you're giving me nothing nice	My mouth is frozen so I can't even speak
I tried to do you right	I'm not the type to say (19) constantly
why'd you have to go and turn to ice	(20) I mean is, all I need is
I don't (8) you're knowing how hard this is for	Just a (21) emotion
me	Because all I see is you not feeling
I'm not the type to say sorry constantly	And you're giving me nothing
So I swallowed my pride and I got on my knees	(22) I mean is all I (23) is
But still you just stood there as you (9) at me	Just a little emotion
(10) ego is getting old	Because all I see is you not feeling
How did you get so cold	And you're (24) me (25)
What I (11) is, all I (12) is,	nice
Just a little emotion	I tried to do you right
Because all I see is you not feeling	why'd you have to go
And you're giving me nothing nice	I tried to do you right
I tried to do you right	why'd you have to go and turn to ice
why'd you (13) to go and turn to ice	
I'm looking at you looking at me	
what can I do but say sorry
