I'm losing touch with all reality	If you've got a (6) that burns inside let me get
I remember the look in your eyes	inside
the way that they pulled me inside	let me tangle with the flames
all I've got now in my defence is my innocense	if you've got a light (7) burns inside
I've been hypnotised	the heat will rise and melt down once again
Hypnotised!	I still remember the look in your eyes
I can hear the church bells ringing out	the way that they pulled me inside
