Wait (1) you're announced	But it wasn't my fault
We've not yet (2) all our graces	And everyone's competing
The hounds will stay in chains	For a love they won't receive
(3) upon (4) (5)	Because what this palace wants is release
	We live in cities you'll never see on-screen
And she'll send the call out	Not very pretty
(6) the call out, send the (7) out	But we (19) know how to run things
Call all the ladies out	(20) in ruins of a palace within my dreams
They're in their finery	And you know we're on each other's team
A hundred jewels on throats	I'm (21) of over
A hundred jewels between teeth	Getting told to throw my hands up in the air
Now bring my boys in	So there
Their (8) in craters like the moon	I'm kind of older than I was
The moon we love (9) a brother	When I reveled without a care
(10) he (11) through the room	So there
Dancing around the lies we tell	We live in cities you'll never see on screen
(12) around big eyes as well	Not very pretty
Even the comatose, they don't dance and tell	But we sure know how to run things
We live in (13) you'll never see on-screen	(22) in (23) of a
Not very pretty	(24) within my dreams
But we sure know how to run things	And you know we're on each other's team
Living in ruins of a palace within my dreams	We're on each other's team
And you (14) we're on each other's team	And you (25) we're on each other's team
I'm (15) of over	We're on each other's team
Getting told to (16) my (17) up in	And you know, and you know, and you know
the air	
So there	
So all the cups got broke	
Shards (18) our feet
